FROM THE PRINCIPAL

WELCOME TO WEEK 9,

With only a week and a half left for term 3 our teachers are very busy finalising assessment for all students. I would like to thank you for your commitment to Parke State School during term 3, we have a great school, with great staff, a great P&C and great students, it makes it an absolute pleasure to come to school every day.

Teacher Aide Day

Last Friday we celebrated Teacher Aide Day. Teacher aides fulfil a very important role in schools as they support the learning and social, emotional needs of children. The work and dedication that Mrs Andrea Pearson, Mrs Janice Birt and Mrs Anne Maree Lyons have on a daily basis is definitely not taken for granted. At Parke State School we are extremely lucky to have skilled aides supporting our children to ensure they are reaching their targets and succeeding on a daily basis. On behalf of the Parke State School Community I want to say a big thank you to these three wonderful ladies who go above and beyond in their roles.

Social Media

Please make sure when attending school and inter-school events that all photos and videos that are posted on your social media accounts are of your own children. There are many children in the education system who for legal and custody reasons are not allowed to have their pictures put up on public/social media domains. I ask that you seek consent of the parents in the photos/videos you take prior to uploading.

Library

As next week is the last week of term 3, Mrs Lyons asks all students to return all their library books no later than Tuesday. This allows time to ensure all books are returned and in order for the start of term 4.

Head lice

Head lice is often found in primary school settings. A reminder of the importance of checking your child’s head for head lice on a regular basis. If you do find head lice, commence effective treatment immediately and be sure to complete the process of treatment. This will help prevent head lice from spreading. Teachers try to ensure students have reduced head-to-head contact activities. This is why it is paramount that your child has a wide brimmed hat at school every day, and long hair is tied back. These are just a few preventative measures we can take.

Attendance

As holidays are fast approaching a reminder that students need to be attending school each day until the end of term. Every day counts! If you child is too ill to attend, please contact the office so we can update our records as this is an ‘explained absence’.

By coming to school each day, students are provided with the best opportunities to improve in their learning.

Warm regards,

Mrs Frost
