**Sport’s Day**

A reminder that sports day is next Thursday 18th June at the Tinana Athletics ground on Gympie Road. Please return permission and medical forms by early next week. If you wish to order the lunch items on the green order sheet, please return the green page to the school by next MONDAY. Please pay for your orders at the canteen on the day.

Please note that the Parke Sports day is all about participation. It would be great to have all students attending the day.

**Head lice**

There has been a case of head lice reported in the School. It is important that all parents check their child/ren’s hair for lice and eggs. If everyone took a minute or two to check hair each morning then the nasty little critters can be stopped. It is very frustrating for parents to have to repeatedly treat their child’s hair only to have the problem return.

**Sporting News**

Good Luck to Hannah and Kelsey who will competing in the state championship in the next week for hockey and basketball.

**Premier’s Reading Challenge**

Each student should now have a green Premier’s reading Challenge recording sheet. Students or parents need to record the titles of books that they read until the necessary target has been reached. It is great way to encourage the reading process. The challenge ends next term so there is plenty of time to complete the sheet. Once the sheet has been finished it needs to be returned to Mrs T who will record the necessary information on the database. We need all students in the school to finish so that we have a chance for Parke to be entered into the prize draw.
The P&C are holding a PJ Party on the 19th of June starting at 5:30 with a sausage sizzle and finishing at 8pm. Sausages will be $2.00 and drinks will range from $1.50 - $2.00. Popcorn will also be on sale for 50c a cup.

On the 26th June we will be having a Nacho Day. We will send home order forms closer to the day.

On sports day this year the P&C have decided to use the canteen at the athletics oval. Order forms have already been sent home.

We are about to pack up all the old stock of the shorts and skorts and donate them to the children of Nepal and the new stock will be ordered. So after the holidays the new stock should be in.

We have been given the plans of the long jump pit and an area has been chosen. We are hoping work will begin on this in the near future.

We are having a meeting on the 15th June everyone is welcome.

Kind Regards
P&C Team
