NAPLAN
Congratulations to all the year three and five students who participated in this year's NAPLAN. Parke has some outstanding results and as a community we should all be very proud of the effort put in by the staff, students and their families.

All parents with students in years three and five should have received a copy of their child’s/children’s NAPLAN report. These were handed out on Tuesday. If you wish to make a time to discuss the reports, then please contact your teacher to make an appointment.

Year 5 & 6 Parents/teacher interviews
I will be sending out a timetable for parent teacher interviews. Please fill in and return asap. This is a great time to sit down and discuss your child’s progress, report card and NAPLAN results. These will commence in week six.

School Wide Positive Behaviour Support=
School Wide Positive Behaviour Support (SWPBS) is a framework that helps schools to plan and implement practices across the whole school, to improve educational and behaviour outcomes for all students. The SWPBS framework is founded on a positive approach to whole school wellbeing. We are seeking parental involvement in our school wide positive behaviour team. If you are interested in joining in with our monthly meetings, then please let me know!

Gotcha System
Parke State School will soon be introducing the Gotcha system. The Gotcha System rewards students when they are ‘caught doing the right thing’. Students receive a Gotcha slip identifying their Being Respectful, Being Responsible Being a Learner and Being Safe. The reward goes into a box and the tickets are counted. Students receive a reward once they receive a certain amount of Gotchas. This recognition of positive behavior allows us to focus on building positive, productive relationships for students in their learning environment.

St Mary’s Taster Day
Last Tuesday the 5/6 class attended the St Mary’s College Taster Day. Students had the opportunity to explore secondary schooling at St Mary’s. Students participated in educational activities from all curriculum areas, meet current students and staff and observe classroom lessons. Check out the photos below!

P&C NEWS
Bunnings Sausage Sizzle was a great success, thank you to the parents that came and helped us out. Money Board winner was Greame Slattery he was one very happy man. Reminder to parents that our food days we have so far had is in lieu of no tuck shop please don't feel you have to participate in these days it's just to boost fundraising as there is no tuck shop this year.
We would like to thank all students that participated in the Spelling Bee on the weekend and also a thank you to the parents that came along to support them. WELL DONE!!!!
Kind Regards, P&C Committee
